Alzheimer's disease and progressive dementia affect millions of senior adults, and we realize that ensuring their safety and care requires a commitment to a stimulating environment that is home-like while providing quality living that enriches their faith. Trinity Shores offers a carefree, beautifully appointed, spacious and safe environment for your family member. Our staff provides personal attention including programs tailor made to suit their needs. It also includes an outdoor courtyard and additional amenities which create a sense of familiarity and comfort for your family member.

Trinity Shores provides both a Memory Care Unit for those requiring residential care as well as Senior's Day Out®, an adult day care program. Trinity Shores is committed to providing ongoing training and education of its staff to better serve our memory care residents. Take comfort in knowing that these programs and our specialized staff will treat your loved ones like our own family.

Trinity Shores' Service Plans are designed with the dignity of the residents in mind and with the goal of keeping them as independent as possible. Each resident will be assessed as part of the application process to determine the most appropriate service level. Additionally, there will be regularly scheduled evaluations to ensure each resident is receiving the most appropriate care.
